2. Each contestant must submit a Minors Release to the Buccaneer Commission. Release forms are attached to application. Contestants will be notified of their acceptance and the date and time they are to participate.
3. **INCOMPLETE MINORS RELEASES WILL NOT BE ACCEPTED.** All information requested on the Minors Release must be complete. The release must be signed by the parent/guardian and contestant and the County Agent or AG Science Teacher.
4. No contestant will be permitted to participate in the Buc Days Rodeo for more than one scramble performance (either 4-H or FFA) in any one year.
5. The Interscholastic League State Executive Committee, in cooperation with the State Board of Vocational Education, has formulated a plan to permit calf scrambles and still protect contestant's amateur standing. This is done by placing the matter under the supervision of the Agricultural Science Department of the school and the CEAs, and prohibiting the participants from receiving anything of cash value for winning the athletic part of the program.

SELECTION OF CONTESTANTS

1. Contestants must have reached their 12th, but not their 18th birthday on January 1, 2015 and not be enrolled beyond their Junior year in High School. FFA and 4-H members must reside in the State of Texas and be actively participating in a FFA or 4-H program in the state.
2. There will be 3 performances during the rodeo. 12 contestants and 6 calves will be selected for each performance. Contestants and calves will be placed in the arena as determined by the Buccaneer Commission. There will be a total of 36 contestants representing FFA and 4-H participating in the calf scramble.
3. Contestants will be selected by a committee of County Extension Agents, AG Science Teachers and Buccaneer Commission officials.

ARENA RULES

1. Contestants will carry a halter, with attached ten foot rope, which will be supplied by the Buccaneer Commission into the arena. Neither the halter nor the rope may be used as a lariat. The halter must be placed on the animal in the usual way.
2. Contestants may not work as a "team". Each contestant will attempt to catch and halter one of the calves. Each contestant catching a calf is required to lead that calf across the finish line without aid. After placing the halter on the calf, the contestant will not be permitted to fasten the rope to themselves in any manner to aid in leading the calf over the finish line.
3. If a contestant has hold of a calf, no other contestant will be allowed to touch the calf unless it breaks away. If two or more contestants catch the same calf, they will be ordered by the referee to release the calf.
4. If a calf is caught by the tail, the contestant will be allowed a reasonable amount of time to place the halter on; however, at the direction of the referees, the contestant must let go.
5. Poor sportsmanship will automatically disqualify the contestant and undue roughness will not be tolerated.
