Waitlist

If you are not selected for retail booth space you will be notified by mail or email no later than March 1, year of show and may be placed on a waitlist in the event of a cancellation. We encourage all vendors who are not selected to consider other shows and events during this time as there are no guarantees space will become available. The waitlist will be cleared at the conclusion of the 2027 festival. Vendors interested in participating in the 2028 festival must re-apply as a new Vendor. We begin accepting new applications for Vendors in September of each year.
