BUC DAYS TO HOST THE WINGS OVER SOUTH TEXAS AIR SHOW IN DOWNTOWN CORPUS CHRISTI AS PART OF 2021 BUC DAYS

Corpus Christi, Texas, December 14, 2021 - Buc Days 2021 brings the U.S. Navy Blue Angels and Wings Over South Texas Airshow to the Corpus Christi Bayfront, May 1 & 2, 2021.

"The Buccaneer Commission is thrilled to combine two great South Texas Traditions into one," said Johnny Philipello, Buccaneer Commission, President & CEO. "The opportunity to have the Airshow as part of Buc Days was a no brainer that will allow us to expand on this great tradition while further fueling scholarships for Coastal Bend Students."

"Air shows in South Texas are taking a new direction: Buc Days will be hosting the Wings Over South Texas Air Show in May 2021," said Capt. Chris Jason, commanding officer, NAS Corpus Christi.

"Although NASCC will only be in a supporting role, the new format will allow greater public access for members of our South Texas community and the visitors that the show will attract. This new show format also underscores the strength of the relationship between the military and the local community," Jason added.

Airshow Coordination and Operational Services for the 2021 Buc Days Airshow will be provided by David Schultz Airshows of Clearfield, PA. Schultz Airshows has conducted operations for over 550 airshows since 1994, and the Corpus Christi Bayfront will be their 11th Waterfront location in their company's history.

Wings Over South Texas at Buc Days will be included in the footprint of the Buc Days Festival site May 1 & 2. Price of admission will gain you access to prime viewing of the Airshow along with carnival rides, shopping and all of the other great attractions and music that come along with Buc Days, all centered around the American Bank Center (See attached Map).
