The rules and regulations provided are intended to ensure a level quality and safety for the public. To achieve success, everyone must understand and follow these rules and regulations.

- 1. Interpretation and Violation of Rules:** Buccaneer Commission Management reserves the final and absolute right to interpret these rules and settle and determine all matters, questions and differences in regard thereto or otherwise arising out of or connected with, or incident to, and to amend or add to these rules as its judgment may determine. Any Participant(s) who violates any of the rules will forfeit all privileges and be subject to such penalty as the Governing Board may order.

The Governing Board shall have the further right to delegate any or all of the rights, authorities and responsibilities which it has under these rules to such parade officials as it deems appropriate.

- 2. Parade Superintendent:** The Parade Superintendent has the authority to enforce the rules herein described. He or she will inspect parade entries during staging to be sure they comply with representations made in the applications. The Superintendent will be present during the parades to assist Parade Officials.
- 3. Application:** Parade applications may be obtained by visiting www.bucdays.com. All parade applications must be legible, completed in full, and accurately describe and depict your entry and any support personnel and vehicles on the parade route. All applicants (except Marching Bands) must submit a \$25.00 non-refundable application processing fee. This means, if your group has a Float and an Equestrian unit, an additional \$25.00 non-refundable application-processing fee is required for each. (See Multiple Groups). Check or money orders shall be made payable to the Buccaneer Commission, Inc. Applications will not be accepted without appropriate fees and must be postmarked by March 31, 2025. **Incomplete and late applications will not be accepted.** There will be no exceptions to the deadline date above and submission of the application does not guarantee acceptance in the parade. An application is considered complete when it is submitted with a signed application a photograph or drawing of the entry, any required insurance information, and all participants have signed the WAIVER. Notification of acceptance or non-acceptance will be sent via email. Completion of an application does not guarantee acceptance for participation in a parade. The Buccaneer Commission reserve the right to accept or deny any application and/or participant for any reason.

It is imperative to submit your application as early as possible; however, early submission does not guarantee parade acceptance. Acceptance to participate in the parade is determined by the Buccaneer Commission, Inc. Cause for non-acceptance of a parade entry does not have to be justified by the Buccaneer Commission, Inc.

In addition, entries on parade day must appear as a fair and accurate representation of what had been submitted on the application. Any deviation without the authorization of the Buccaneer Commission, Inc. will result in disqualification on parade day. For the Night Parade, all participants must be 12 years of age or over in good physical condition. Due to safety and liability, no participants under 12 years of age will be permitted except on a float and must be noted on the application. Any floats with children under the age of 12 must be supervised at all times and the person supervising must be part of the respective organization and entry. At the discretion of the Parade Officials, violators may be removed from the parade route and eliminated from participation in future parades.

- 10. Safety:** All entries must be operated in a legal, safe, and ethical manner and comply with law enforcement and Bucarader directions. Any lewd behavior or profane music will not be tolerated and will be grounds for removal from the parade and expulsion from future parades. - 11. Offensive Items:** Buccaneer Commission Management reserves the right to prohibit the display of any item that Buccaneer Commission Management reasonably deems objectionable from the standpoint of taste, quality or compatibility with the Buccaneer Commission's mission. Some items that will be considered offensive include but are not limited to: weapons of any kind, lasers, high powered water guns, rubber band guns, toy guns, unsafe, obscene, pornographic, drug related items, controversial items or displays, or any item that may be considered political in nature. Controversial is defined as something that "gives rise or is likely to give rise to public disagreement.

Commercial entries may only display the name of the business/organization submitted on the original entry form. Additional signage, logos, banners, truck decals, etc. identifying any other business/organization will require an additional commercial entry fee to be paid or the signage must be covered before allowed on the parade route. Certain commercial entries may be refused due to conflicting sponsor relationships with the Buccaneer Commission.

15. Marcher Requirements: Anyone that chooses to walk the parade route must be at least 14 years of age (Night Parade Only) and at least 4 years of age (Children's Parade Only). Anyone walking, must remain with their unit in their assigned position in the staging area and proceed in a steady and continuous manner during the parade. 17. Equestrian Units: Only professional Equestrian units will be permitted in the parade. The unit must provide a list of parades they have participated in during the past year. These units must provide a "pooper scooper" to follow the entry and ensure no fecal matter is left on parade route.

18. Parade Pace: All parade entries must stay within their allocated space in the staging area. At the start, Parade Officials will space out the entries at approximately every twenty-five (25) feet and entries should maintain that distance throughout the parade route. Parade Officials will strictly monitor this spacing. While on the parade route, all entries must maintain a constant forward direction. Unnecessary delay or "gaps" created by the entries on the parade route will not be tolerated and may be subject to removal. Participants may not slow

or stop the forward movement of the parade in any way. Entries that stop to perform along the parade route will be disqualified from the judging and eliminated from participation in future parades. At the discretion of the Parade Officials and CCPD, any entries unable to start or maintain their assigned position on the parade route will be removed.

- 19. Towed Entries:** All towed entries must have approved safety chain between the tow vehicle and unit/float. All tow units shall be securely fastened with appropriate safety chains to the chassis of the float. No sleeper trucks or set forward axle trucks are permitted in the parade as there is inadequate turning space for these types of vehicles. Please contact the Parade Coordinator if you have questions about the types of tow vehicles that are acceptable.
- 20. Generators:** Generators must have sufficient fuel to operate. Generators should not be started until the parade begins to preserve fuel. Adding fuel to hot generators is strictly prohibited.
- 21. Accessibility:** All floats and miscellaneous entries must have easily accessible entrance and exit for participants and a clear unobstructed view for the driver/operators.
- 22. Drivers:** Drivers/Operators of any unit must be 21 years of age or older, have a valid driver's license suitable for operation of the type of vehicle and current proof of insurance. Should the driver not be able to provide proof of insurance and a valid driver's license at the staging area, the unit will not be allowed to proceed down the route.
- 23. Prohibited Items:** Buccaneer Commission Management reserves the right to prohibit the display of any item that Buccaneer Commission Management reasonably deems objectionable from the standpoint of taste, quality or compatibility with the Buccaneer Commission's mission. Some prohibited items include but are not limited to: weapons of any kind, lasers, high powered water guns, rubber band guns, toy guns, unsafe, obscene, pornographic, drug related items, controversial items or displays, or any item that may be considered political in nature. Controversial is defined as something that "gives rise or is likely to give rise to public disagreement.
- 24. Throwing or Distribution of Items:** It is prohibited for parade participants to throw, distribute, or give away any leaflets, coins, souvenirs, candy, or any other items in the staging area and on the parade route. No articles, materials, or candy of any kind shall be distributed in the staging area, along the parade route or in the disbanding area without the approval of the Buccaneer Commission, Inc. The discharging of firearms, cannons, fireworks, and other loud devices is strictly prohibited.
- 25. Break-up:** All parade participants will disband under the direction of the Parade Officials. No participants should remove any illumination devices, costumes, or uniforms until they have reached their designated area. It is prohibited to remove, throw away, discard or make available to anyone along the parade route or disbanding area any lights, medals and parade props. Parade participants may not leave the Float prior to reaching the disbanding area.

26. Inclement Weather: Be prepared, the Parade will go on rain or shine. If inclement weather occurs prior or during the parade, Corpus Christi Police Department will determine if reports of severe weather shall initiate the cancellation or delay of the parade. Participants may decline to participate when weather threatens to damage uniforms, props, instruments, etc. We suggest that your organization have a weather plan in place should severe weather occur. Every effort will be made to ensure the safety of all participants. However, participants must understand the Buccaneer Commission, Inc. will not be held responsible for events beyond our control such as weather, civil turmoil, bomb threats and natural disasters. (No fees will be refunded). This includes participant property.

27. Emergency Plan: In the event of an emergency, the Corpus Christi Police Department will determine if the parade will be delayed or cancelled. If the determination is made that the parade route needs to be evacuated for safety purposes, all participants will be directed to pre-identified safe zones by police officers. Only participants that are on foot and in vehicles other than floats will be directed to the safe zones. All floats will need to remain on the route; therefore, the drivers of the floats will stop their float as far right as possible and will leave the key in the vehicle. Float drivers and riders will need to dismount their float and will need to walk to the safe zone. Once the critical incident is resolved, coordination will be made to remove the floats from the route.

28. Stadium Show Participant Requirements: All trailers that are 20ft or longer AND/OR being pulled by a vehicle/ truck that is larger than 1 ton will NOT be able to drive through the stadium. Any vehicle that we deem might cause damage to the track i.e. low rider vehicles, fire trucks, tow trucks, etc. may be asked to not participate in the stadium portion of the show.
